2	Point 6 / Page 28	The Bidder will have to provide 10 mbps backhaul connectivity from their Hub to our DC and DRS with redundancy at no extra cost. The backhaul should be upgradable mbps if required.	One place 2 Mbps Backhaul bandwidth is mentioned and other place 4 Mbps.	The Hub Centre of the bidder and the Data Centre and DRS shall be provided by the bidder at no extra cost to the Bank. The backhaul link shall be dedicated leased line/MPLS having bandwidth of 4 Mbps on

Sr No	Clause No. and Page No.	RFP Term	Additional Clarifications sought by the bidders	Banks revised requirement
		<p>Clarification: the Hub Centre of the bidder and the Data Centre and DRS shall be provided by the bidder at no extra cost to the Bank. The backhaul link shall be dedicated leased line/MPLS having bandwidth of 2 Mbps on Ethernet upgradable with redundancy required. For this, if required, Bank will provide necessary Routers and Switches which are required at DC/DRS of the Bank. Other communication equipment's which are required at Bidder's Hub to be taken care by the bidder.</p> <p>Redundancy will have to be arranged by service providers through minimum of two last miles at DC. Use of existing backhaul is not permitted.</p>		<p>Ethernet upgradable with redundancy required. For this, if required, Bank will provide necessary Routers and Switches which are required at DC/DRS of the Bank. Other communication equipment's which are required at Bidder's Hub to be taken care by the bidder.</p> <p>Redundancy will have to be arranged by service providers through minimum of two last miles at DC. Use of existing backhaul is not permitted.</p>

All the participating bidders are requested to make note of the above clarification and all other Terms and conditions of RFP will remain the same. **Last date for submission of bid documents has been extended up to 21.02.2017 by 1600 hours at this office.**

Yours faithfully,

General Manager (IT)
